GLIMPSE

APRIL -JUNE 2021

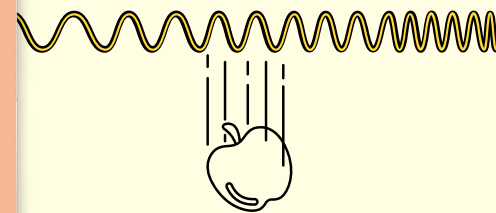

ONE YEAR ONE CAUSE - MENTAL HEALTH

- In light of the collective trauma posed by the pandemic, Mental health is becoming a serious concern.
- To address this, TQI started this year's 'One-year One-Cause' campaign with 'Mental Health' as the central theme. As part of the campaign, we conducted an 8-week session on yoga and meditation.
- In association with Bright Side Foundation, TQI also hosted a series of sessions about Mental health.

KANAA DIY

TQI is involved in fostering scientific temper among children through the KANAA Program. As a part of this, 'Interact with stars' sessions are organized to connect experts in respective fields to the students.

“VOICE OF TQI

UTHAYA BASKARAN's TQI journey

2017 Daan Utsav was a milestone in my journey. My team conducted a donation drive around the college and locality.

The participation and donations we received are beyond our expectations, the happiness we saw in the faces of those children is a memory etched in my heart forever

TQI PHONE MENTORING

We partnered with the 'Sitara foundation' in Bangalore and took phone mentoring to 21 government school students through their volunteers.

TQI WITH ABSYZ

- TQI in collaboration with ABSYZ Inc. is involved in various projects.
- Employees from ABSYZ are handling sessions in TQI's Annual Learnathon series, providing insights to the participants in a wide range of skill sets.
- The Volunteers are also involved in 1:1 phone mentoring for college students.
- In addition to that, ABSYZ has donated 20 tablets to the class 12 students in government schools who scored well in their board exams across 20 districts where TQI is engaged.

TQI EMPLOYMENT TRAINING

40+ college students from the lower economic backgrounds are identified by TQI and they are being trained by CTS employees in the employment training program as part of their CSR outreach initiatives

SCHOLARSHIP EXAM TRAINING

- NMMS and NTSE exams are conducted by the government for 8th and 10th grade respectively and these are crucial launchpads for students to attend other competitive exams in the future.
- The stipends given to the students who clear these exams are also a motivating factor.
- TQI started training the students for these exams in 2020, continuing with 150+ students in 2021.
- This year, ten Volunteers, who are the trainers are trained by Mr Anbazhagan.
- Youth Seva also conducted special two-day training, making our student-training program more efficient.
